Hence, I request you to kindly accord permission to edit,print and publish 1 Sudhakar (Kanarese) and 11 Business Magazine (English) at Mysore City by the undergigned from December 1934 onwards, once in two months.

Further, I wish to know whether it is necessary to take declaration before Magistrate before publication under Mysore Press Regulation though these two magazines are published once in two months. Both are not periodicals published within 30 calender days (Monthly,weekly or daily). If not, only permission may kindly be accorded early.

I mean purchasing a hand model press called Adana Senior from ;/S.W.R Sellars, calcutta for all printing works in English and Kanarese. Since this is not a heavy machinery but only a small Hand Model Press, I wish to know whether declaration before the Magistrate is quite necessary. I learn from the company, that this Press Model is classified under "Office Appliances" and so does not come under the purview of sections of Indian Press Act. But still, I wish to registe this press with the Government before taking up Printing and jammastic works. If the declaration is not necessary inn terms of Mysore Press Act, I wish to register the name of the press for inclusion in the Register of Printing Presses filing the affidavit. Please enlighten me as to the procedur before I place the order for this Press to the Company, otherwise, both will be got printed at Srikanteswara Press, Chamarajanager.

On receipt of your kind permission order for the two Magazines(and also re: Hand model press supra), I will arrange for the pub;ication and speedy works at an early date

A line in reply is earnestly solicited on or before Ist December 1934.

Thanking you in anticipation.
